Professional Summary

Driven Information Technology undergraduate with a strong foundation in full-stack web development, specializing in the MERN stack. Skilled in designing and deploying scalable applications, integrating third-party APIs such as Stripe, Inngest, and Razorpay, and implementing secure user authentication. Eager to apply academic learning and project-based experience to contribute to real-world development challenges.

Technical Skills & Coursework

- Languages:** C/C++, Java, JavaScript
- Frontend:** HTML, CSS, Tailwind CSS, Bootstrap, React.js, Next.js, Framer Motion
- Backend & Databases:** Node.js, Express.js, MongoDB, MySQL
- DevOps & Deployment:** Git, GitHub, Vercel, AWS
- Tools & Utilities:** Postman, Stripe API, Razorpay, Canva, Figma
- Coursework:** Data Structures and Algorithms, Database Management Systems, Operating Systems, Computer Networks, Object-Oriented Programming, Software Engineering

Projects

Full Stack AI SaaS Application | MERN STACK | December 2024

- Developed a full-stack AI-powered text-to-image generator app using MERN stack, incorporating user authentication, credit system for image generation, and online payment integration.
- Utilized Clipdrop API for image generation and stored user data securely in MongoDB.

Full-Stack E-commerce Website | Next Js | January 2025

- Developed a full-stack e-commerce website using Next.js with Clerk for user authentication, Inngest for background job management, and MongoDB for data storage.
- Integrated Cloudinary for image handling, built an admin panel for product and order management, and deployed the project on Vercel for easy access.

Personal Portfolio Website | React Js | March 2025

- Built and deployed a responsive, cross-browser portfolio website using React.js and Node.js; hosted on Vercel with Git/GitHub version control.

Achievements & Certifications

Web Development Training - Internshala | October 2023

- Completed 8-week Web Development Training on Internshala, built a full-stack project, and ranked among top performers.

IR4.0 Foundation Course Certification | 2023

- Certified in Industry 4.0 technologies through the TechSaksham program (Microsoft & SAP initiative with Edunet Foundation). Proficient in Linux, SQL, Ubuntu, and web development.
- Solved 350+ problems across platforms like LeetCode, GeeksforGeeks, and HackerRank, with a focus on Data Structures and Algorithms (DSA)

SIH (SMART INDIA HACKATHON) | 2024

- Qualified Internal Hackathon along with top 10 teams.

Education

G.L. Bajaj Institute of Technology and Management	November 2022 - June 2026
Greater Noida, Uttar Pradesh	CGPA-7.8
(B.Tech Information Technology)	(till 5th Semester)

H.A.L School Korwa, Amethi, Uttar Pradesh	2022
Class-XII	Percentage:81.8
Class-X	2020
	Percentage:88.6

POSITIONS OF RESPONSIBILITY

Event Management Head | Navrang Cultural Club | September 2024

- Successfully led and managed the club's activities as the Management Head for the tenure of 2024, ensuring smooth operations and enhanced member engagement.
- Spearheaded the planning, coordination, and execution of over 6 major college events, including cultural fests, competitions, and workshops.
